

# Abdul Haseeb AT

Chemical Engineer

## Academic Qualification

### B.Tech Chemical Engineering

Institute: SRM University, Chennai, India

Batch : 2008 - 2012

Percentage Marks: 73.2 %

### Higher Secondary

Institute: I E S Public School, Trissur, Kerala

Batch: 2006 - 2008

Major : Computer Science

Percentage Marks: 70 %

### S.S.L.C (Secondary)

Institute: Farook English medium school, Kerala

Batch: 2005 - 2006

Percentage Marks: 86 %

## Academic Projects

- PRODUCTION OF VINYL ACETATE (Final Year Project)
- Workshop on Chemical Modeling and Simulation Software (ASPEN PLUS)(2011)

## Industrial Experience

### 3. Technical Executive

#### Technical & development Department (July 2014 to Present)

Colep Scitra Aerosols, Sharjah UAE

www.colepscitra.ae

www.scitra.ae . www.colep.com

A Member of Albatha Home & Personal Care

### 2. Chemical Engineer (PCB Plant)

(January 2013 – January 2014)

Indian Telephone Industries Ltd, Palakkad, Kerala, India www.itilt-india.com

### 1. Sales Coordinator (May 2012-Dec 2012)

Sales of Tiles ,Sanitary ware & CP fittings.

## Equipment Experience

Metrohm 870 KF Titrino PLUS, Metrohm 848

FTIR Affinity 1-A, UV 1800, Brookfield DV-2T

Viscometer.

## Job Roles

### As Technical Executive

#### (Technical & development)

- Projects Implementation.
- Database & document control.
- Preparing technical documents for manufacturing, Finished goods, PMs etc.
- Development of new products & packaging materials.
- Product commissioning & qualification Process.
- Supervision & responsibility for Industrial trials.
- Defining technical specifications, quality parameters for new customers.
- Sending informations to SAP ,to create BOMs, defining SAP structure & descriptions.
- QC analysis ,Sample testing , preparations & sample shipments.
- Reviewing general legislative rules to different markets.
- Training of blending and filling operators to follow production docs.

### As Chemical Engineer

#### Supervised & Assisted in:-

- Printed Circuit Board (PCB) Production.
- QC, Analysis of chemicals in Lab.
- Electro Plating ,Etching, Film stripping, PISM, DM Water Unit, Effluent Treatment (ETP).

### As Sales Coordinator

Sales of Tiles ,Sanitary wares & CP fittings

## Accomplishments:

#### • Customers & Brands Handled:-

1. Beiersdorf (Nivea)
  2. Reckitt Benckiser (Airwick, Pifpaf)
  3. PZ Cussons (Imperial Leather)
- Deep technical Knowledge in Aerosols.
  - Achieved 99% score from the beiersdorf for the performance and proper database & documentation as well.
  - Played key role in product development & conducting trials.
  - Project Implementation.
  - Expert in Dexter files and TDS files processing and reviewing.
  - Customer relations and technical support

## IT Experience

### SAP Knowledge

### MS Office

Expert in MS Excel advanced ,MS Word and MS Powerpoint at a professional level.

### C, C++, MATLAB

Bar Tender (Label design software)

Adobe Photoshop (Expert)

Date of Birth: 15.09.1989 (27 years)

Nationality: India

Current Country: UAE

Total Experience: 3.9 Years

Mobile: +971 569430521

Email: haseeb451@gmail.com

Skype: abdulcsa

Address: Rolla, Sharjah, UAE

## Skills

Analytical Thinking, Innovation, Social Orientation , Quick learner, Continuous development, Active Listening, Hard working, Active Learning. Positive self-image, Highly organized and process oriented, Self-auditing and have high quality standards.

## Hobbies

Cricket, Table tennis, Driving  
Volly ball

## Languages

English, Malayalam, Tamil, Hindi,  
Arabic (beginner), German (beginner)

## In-Plant Trainings

- Fertilizers And Chemicals Travancore Ltd,
- Louis Pharmaceuticals Private Ltd, Hyderabad
